DELUXE BELLMAN CARTS

Built Strong • Built Solid • Built to Last!

Glaro designs and produces specialized and innovative carts that outperform all other brands.

This remarkable Glaro Glider Bellman Cart (available in six and four wheel models) reflects timeless excellence in engineering, design, and craftsmanship for which Glaro is recognized. Glaro Glider revolutionary six wheeled carts have a specially balanced and uniquely configured caster system that ensure unsurpassed maneuverability while transporting heavy loads quietly and effortlessly. Four wheel models provide a similar performance in a more conventional design.

Glaro Glider Bellman Carts also surpass other brands because of their all aluminum frames and are available in 29 maintenance free, tarnish-proof, all-weather finishes.

Quality materials and detailed care in workmanship result in carts that have unparalleled quality and lead the market in customer satisfaction.
