Floor Models

This handsome display is ready to showcase your letter size (8 1/2 x 11) computer generated or hand drawn sign instantly. An attractive black velour border highlights and emphasizes the importance of your message.

The frame is furnished with a clear acrylic window and a mounting panel that has a black nylon velour surface. The concealed Lif-top® mechanism enables only authorized personnel to quickly and easily change messages that are held in place by the natural pressure between the back and the face panels.

Manufactured of solid extruded aluminum. Floor standing models have a heavily weighted base for maximum stability. Wall mounted models are furnished with a concealed mounting bracket. Insta-Change Displays are also available in custom sizes upon request.
